

The Magic of Wildflower Happens Again This Summer

In just a few short weeks, 58 campers -- our largest group of children ever -- will be attending the camp of their dreams. Some of our children will travel across the U.S. on adventures of a lifetime. Our youngest campers will stay close to home by attending day-camps in their own neighborhood. Wildflower supports our families with camp experiences that are just right for them and we are filled with excitement for the beginning of summer and the wonder awaiting our children.

We've Moved into our New Office

Wildflower has moved! Our new office is located in a charming, converted house at 271 Lincoln Street, Suite 12, Lexington, MA 02421. Our new space is making collaboration among staff and volunteers so much more efficient, productive . . . and fun. Want to see our new space? Call us at 781 861-1413. We'd love to give you a tour.
